The direct premium amount reported will be used to calculate your company's share of the 2015 New Mexico Medical Insurance Pool's **\$61,214,951** (preliminary-to be audited) loss.

Insurance companies are eligible to apply credits on their final premium tax returns as provided for in Section 59A-54-10 NMSA 1978. The 2014 final assessment, invoiced in May, 2015, is eligible for premium tax credits to be taken on the final premium tax return for 2015 that is due April 15, 2016. See OSI Bulletin No. 2015-027 for more information.

Interim payments received will be credited toward the final assessment. The amount you report must be accurate. Once reported, no further changes to the New Mexico premium amount can be made. If the requested information is not received by **March 15, 2016**, your company's assessment for the 2015 Pool losses will be based on an estimated premium amount.
