

|  The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. <b>NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.</b> For more information about your coverage, or to get a copy of the complete terms of coverage, call 866-306-1882 or visit <a href="http://www.nmmip.org">www.nmmip.org</a> . For general definitions of common terms, such as <u>allowed amount</u> , <u>balance billing</u> , <u>coinsurance</u> , <u>copayment</u> , <u>deductible</u> , <u>provider</u> , or other underlined terms see the Glossary. | Important Questions  | Answers  | Why This Matters:   |
| <b>What is the overall deductible?</b>   | <b>\$1,000</b> Individual / <b>\$2,000</b> Family  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.   |
| <b>Are there services covered before you meet your deductible?</b>   | <b>Yes.</b> Network copayments, network preventive care, network pediatric dental and vision care up to the age of 19, network mental health/substance abuse/chemical dependency services, network home health, network hospice, and prescription drugs are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your deductible. See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .   |
| <b>Are there other deductibles for specific services?</b>  | <b>No.</b> There are no other specific deductibles.  | You don't have to meet <u>deductibles</u> for specific services.  |
| <b>What is the out-of-pocket limit for this plan?</b>  | <b>\$5,000</b> Individual / <b>\$10,000</b> Family   | The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services.  |
| <b>What is not included in the out-of-pocket limit?</b>  | <u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain pre-certification and health care this <u>plan</u> doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.   |
| <b>Will you pay less if you use a network provider?</b>  | <b>Yes.</b><br>Call PHCS at 1-866-306-1882 to locate an In-Network Provider.   | This <u>plan</u> uses a <u>provider network</u> . Services received from a <u>non-participating provider</u> , are not covered unless emergent or urgent. If you receive services from an <u>out-of-network facility</u> , you may receive a bill from the facility for the difference between the facility charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>participating provider</u> might use a <u>non-participating provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do you need a referral to see a specialist?</b>   | <b>No.</b> You don't need a referral to see a specialist.  | You can see the <u>specialist</u> you choose without a referral.  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
