

What is NMMIP?

The **New Mexico Medical Insurance Pool (NMMIP)** provides health insurance coverage for New Mexico residents who cannot obtain insurance due to a denial of or lack of other qualifying options. NMMIP ensures access to healthcare for vulnerable populations within New Mexico.

Who is eligible?

- Must be a **New Mexico resident**.
- Has been **denied coverage** or is unable to obtain other coverage options.
- Has **no access to other qualifying coverage** (employer plan, marketplace, Medicaid, Medicare, or other insurance options).

What programs are available?

- **Individual and Family Coverage:** For those with no other insurance options.
- **Medicare Carveout:** For Medicare-eligible persons under 65 years old.
- **Low Income Premium Program (LIPP):** For low-income individuals to receive coverage at a reduced premium. To qualify, prospective members must submit a separate application and proof of income to determine eligibility.
- **Integrative Care Management:** Ensemble is the agency that provides Integrated Care Management; helping connect NMMIP members to physical and mental health providers, a 24-hour nurse hotline, clinical support at home, remote patient monitoring, and community resources.
- **Telehealth:** Teladoc is available for 24/7 access to general medicine and mental health services.

Who can I talk to?

- NMMIP's third-party administrator, **90 Degree Benefits**, provides customer service, eligibility information, processing ID card requests, and billing inquiries.
